LINE DRUNK: Phillips got on train at Newton Abbot

'I wasn't flashing, I was just scratching an itch'

HOMELESS MAN CAGED AFTER DROPPING TROUSERS ON TRAIN

A HOMELESS man with a skin condition who dropped his trousers in front of passengers on a train said he needed to scratch an itch.

Darryl Phillips, 37, started taking his clothes off as he staggered towards the train toilet.

Once inside, he left the automatic door open and began drunkenly dancing around the cubicle with his pants around his ankles, a court heard.

Members of the public were so shocked by what they saw that they called the police and Phillips was arrested after he got off the train at Paignton, Devon.

Phillips, who suffers from scabies, said he needed to undress to satisfy an itch.

He admitted he had been drinking.

Nuisance

The defendant, who is currently serving a short sentence in prison for unrelated matters, appeared by video link and pleaded guilty to causing a public nuisance by exposing his genitals.

Magistrates said he did not need to expose his genitals and 'make eye contact' with other passengers while he was doing it.

Phillips was given an extra four weeks inside.

Prosecutor Philip Sewell said Phillips and his girlfriend boarded the Exeter Central service at Newton Abbot at 7.40pm.

He headed to the lavatory, taking off his t-shirt and handing it to his partner on the way.

"He dropped his trousers to his ankles, exposing himself to the occupants of the carriage while the toilet doors were open," said Mr Sewell.

One witness said Phillips exposed himself for about two minutes while at the same time 'dancing and waving and making eye contact'.

A six-year-old girl was in the carriage at the time Phillips bared all, but she only heard the man swearing.

Serial cock-waver banged up

A SERIAL exhibitionist who persistently exposed his genitals in public was last night starting a sentence of more than 18 months in jail.

Jobless Lee Davidoff, 50, ignored a court's previous attempts to persuade him to stop flashing his private parts at people and having switched from Norwich to Chichester, West Sussex, went on a new spree.

Davidoff has since been put on the Sex Offenders' Register for 10 years and had been jailed for 86 weeks by a crown court judge.

Sussex Police Det Sgt Debbie Ricks said: "We took prompt action and traced him when his further offensive behaviour, which caused distress and alarm to the women involved, was reported."

BAD DOG: Colin has somehow learnt to do a Nazi salute

MY PUP'S PICKED UP A VERY NAZI HABIT

GWEN 'N' BEAR IT: Owner is getting stick

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

ALL puppies have bad habits.

Some plop in slippers, others gnaw newspapers, and naughtier ones are wont to nip house guests.

But Gwen Hudson's German Shepherd pup has a habit that is even MORE embarrassing than that.

Because cuddly little Colin keeps doing the NAZI SALUTE!

Activist

And it's driving left-wing activist Gwen REICH round the bend!

Single Gwen, 43, of Golders Green, north London, said: "As you can imagine, it is very embarrassing for me, especially as I am chair of the North London and Surrounding Area Anti-Fascist Alliance.

"My fellow activists come to my home and there is Colin doing the Nazi salute.

"It is ruining my reputation in anti-fascist circles because people think I trained him to do it.

"Of course, I haven't. I have no idea where he's picked it up from."

The straight-armed salute was used by the Romans and revived in the 1930s by rabid followers of the controversial German statesman, Adolf Hitler.

It is now mostly used by neo-nazis.

Coogan's all white on the night

FUNNYMAN Steve Coogan says he struggled to get his teeth WHITE enough for a new movie role.

The *Alan Partridge* star, 54 (*left*), plays a retail magnate in the satirical film *Greed*.

On playing the fictional Sir Richard McCreadie, Coogan revealed: "I got to have a deep, deep tan and the whitest teeth.

"I tried to whiten them by going to the most whitening person in London, but they couldn't get them as white as these false ones.

"So I just stuck the false ones on top of mine.

"It made Cliff Richard look like he needed to clean his teeth!"

In a story inspired by billionaire businessman Sir Philip Green, Coogan plays the owner of a string of fast-fashion brands in the new flick.

NOW LEZ SEE HOLLY GO DOWN ON ZOE

GOOD ENOUGH TO EAT: Sexy Zoe thinks the time is right to lez up Holly

As Phil goes gay, glamour babe issues come & lick me plea to his co-star Holly

By WENDY THOMAS
news@sundaysport.co.uk

AS the world recovers from the shock announcement that Philip Schofield now prefers knobs to fannies, stunning glamour babe Zoe Morrell has decided now is the perfect time to tempt his co-star Holly Willoughby into some minge-licking lesbian action.

Stunning Zoe, 29, has fancied telly beauty Holly ever since she was on the Kids morning TV show *SM:TV* in the 1990s and has fantasied many times about licking the blonde bombshell's ladyparts and gently stroking her perfect nipples.

And she believes that now Philip has swapped sides it might be the perfect time for Holly, 38, to sample the delights of sapphic sex.

The lusty 30F babe from St Albans, Herts, said: "Holly has been my fantasy woman for years and years.

"Every time I see her on the telly I get wet thinking about doing naughty things to her.

"She is so hot! Her boobs are absolutely perfect and I would love to lay her down on my bed and slowly undress her until she is left wearing just sexy black lingerie and stockings.

Nipples

"Then I would release her amazing boobs and gently lick her nipples until she was moaning in delight.

"Eventually she would be so turned on she'd be begging me to touch her fanny, so I'd slowly move my hands towards her crotch – but I wouldn't give her what she wants straight away.

"I would tease her, getting closer and closer and pulling away until she was crying out in frustration.

"Then I would gently put my fingers inside her and feel how wet she was from my teasing.

"As I plunged deep inside her I would use the heel of my hand to rub against her clit until she exploded in ecstasy.

"When she was recovered she would be so grateful that she'd be desperate to return the favour – and that's when her dominant side would come out.

"She would put me over her knee and tell me what a bad girl I'd been and then gently spank me until my bumcheeks were red.

"When I had been punished enough she would lie down and tell me to sit on her face and lick me until I climaxed.

"Then we would lie together naked, stroking each other for the rest of the night.

"I never thought I had a chance of seducing Holly before but now her best mate Phil has embraced his gay side perhaps it might persuade Holly to give it a go.

"And if she does then I am willing and able to give have her whenever she wants!"

SCHOFIELD'S WIFE COMES TO TERMS

CRUEL internet jokers have been mocking brave Philip Schofield coming out as gay by claiming his wife wants to bum him with a giant strap-on dildo.

This picture, which is NOT of Philip's missus Stephanie, shows a woman with an enormous purple sex toy and reckons she is trying to keep her newly gay husband by offering to do sex things with him like a man.

A source said: "This is just a cruel joke and shows the dangers of the internet."

WITH SHOCK ANNOUNCEMENT

By SIMON DEAN simon@sundaysport.co.uk

AFTER a lifetime of committed gayness Brian Laughlin has been battling with a troubling secret that has left him unable to sleep, losing weight and fearing that he has been living a lie.

Because the truck driver from Aberdeen has realised he is actually into ladies, not fellas.

Brian, 43, who is married to Alan with whom he has two daughters aged 18 and 16, reckons he realised he was no longer into sex with men after seeing Holly Willoughby's knockers hanging out while watching *Dancing on Ice*.

The sight of the TV babe's heaving bosom left him questioning whether he wanted to carry on getting bummed up the arse by his 49-year-old Latvian husband.

And now, after much soul searching, he has decided to go public and bravely come out as a straight.

Brian said: "I used to love the bumming. Lived for it, really.

"Ever since I was 18 and saw Mr Motivator on the telly I knew what I wanted in life – to be gay.

"I thoroughly embraced the whole thing. I loved musicals, soft-furnishings and that. I even married a man.

Rumours

"But after 25 years of happy gaying I realised something wasn't right when I saw Holly Willoughby's knockers.

"Suddenly I got a warm feeling in my nether regions. I guess I am more of a minge man now.

"My husband and children both support me fully. I don't know what the future holds but I hope Holly will let me have a go on her when she hears my story."

Brian's husband Alan said: "When we got together people warned me that there had been rumours he was straight. Still, I support him in whatever he wants to do next."

Dani – Public break-up was really rubbish

DANI Dyer has said it was "really rubbish" breaking up with Jack Fincham while in the public eye.

The couple, who won *Love Island* in 2018, announced their split eight months later.

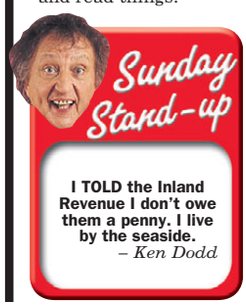
Dani (*above*), 24, told the Millennial Love podcast: "It was a part of my life and that's what I look at it as. I'm not ashamed of that.

"Me and Jack had such a great time together. We was in *Love Island*, we won *Love Island* together. So that was a memory and that's what I just look at it as rather than anything."

However, she said the scrutiny that their split faced took its toll on her, adding: "It was really rubbish, to be honest.You don't realise when you've just come out of *Love Island* that you're famous.

"You go in as one person and then you come out and you are under a microscope.

"And it was really difficult. Everyone's going to have an opinion, everyone's going to assume stuff and read things."



I TOLD the Inland Revenue I don't owe them a penny. I live by the seaside.

Jossa rugby pal blasted over 'bus' pic

RUGBY union ace James Haskell has been blasted for saying Jacqueline Jossa looks like she was "waiting for the sunshine bus" on an Instagram snap.

The ex-*EastEnders* actress, 27, uploaded a pic of herself, taken by husband Dan Osborne, where she stood on the beach with a football, in front of goalposts.

Rugger star James, 34, who became friends with Jacqueline in the *I'm a Celebrity* jungle last year, commented: "You look like you are waiting for the sunshine bus and if anyone touches your football you will go mad."

"Sunshine bus" is a term used to describe transport for people with disabilities, and many social media users took issue with James's comment.

One user wrote: "Let's hope you never have children with special needs!" while another posted: "This is a horrible comment."

Shock date stats for the over 45s

A WHOPPING one-in-seven people in the UK over the age of 45 admit they've NEVER been on a date.

A poll of 2,000 single Brits over the age of 45 found that 14 percent confessed they had never been on a romantic date – even as a youngster.

And 46% said they hadn't been on a date in the last three years.

The study, by Buzz Bingo, found that more than half said they had "no confidence at all" when it came to dating.

Asked why they hadn't been on dates, 31% said they were "too old", with 22% admitting they were just "too shy".

A spokesman said: "More and more Brits are finding themselves single later in life."

And relationship expert Jo Hemmings added: "The hardest thing with dating after you've been out of the game for so long is confidence – and confidence comes with practice."

TALKING DOG STOLE MY SAUSAGES

TARGETED: OAP Vince was robbed in Darlo (right)

VEXED Vince Croft claims he was mugged on the street – by a talking dog which nicked his sausages.

What's more, retired mining engineer Vince, 81, said the authorities REFUSE to take his complaint seriously and LAUGHED when he tried to report the crime.

Vince, of Darlington, Co Durham, said: "Ever since my Elsie died, it's been my job to visit the butchers to buy sausages.

"I go every Tuesday but this week as I was heading back to my car, a dog – I don't know what breed, some kind of mutt – stepped out of an alleyway and said, clear as you like, 'Give me the sausages'.

"I was so shocked I dropped the bangers. The dog picked them up and ran off. I swear it was chuckling and calling me a 'daft old c**t'."

But when Vince tried to report the robbery he was asked if he'd been drinking or if he was on drugs.

Vince added: "I've never been so insulted in all my life! Drugs indeed! This is clearly some sort of Government cover-up and the police are in on it.

"If some secret facility is breeding talking dogs in Darlington the public need to know about it – that's why I've come to *Sunday Sport*."

Even worse, Vince has now been accused of being canine-phobic by local dog extremists and has received threats on the telephone.

A police source said they were "aware" of Vince's report.

THE VOICE OF YOUR BRITAIN

Now Holly, follow Phil's brave route!

BY bravely revealing that he is a gentleman attracted to other men's bottoms, Phillip Schofield has proved himself to be an icon of his age.

Here is a hero, a legend, an inspiration to future generations.

The This Morning co-host's revelation has lifted him from the level of mere TV personality to true national hero in the mould of Sir Francis Drake, Sir Winston Churchill and the former Frank Maloney.

Some folk may think that leading a platoon of men into enemy fire is brave.

Others believe bravery is shown by those who carry on with life in the face of debilitating illness.

But no.

Going on national TV and saying "I like the cock" is real valour.

We can but hope that Holly Willoughby follows Phil down the same brave route.

Of course, there is no suggestion whatsoever that Holly is a female homosexual.

But in today's paper, glamour girl Zoe Morrell offers Holly the chance to become one and join those rare people in TV to celebrate their same-sex attraction.

And, let's face it, the idea of lovely Holly sucking minge is a rather appealing one.

Doggone it, all we want is the truth!

ARE talking dogs stalking the streets of Darlington?

Yes they are, according to Sunday Sport reader Vince Croft.

Vince claims he not only witnessed a talking dog but the chatty canine also stole his sausages.

But Vince says the authorities REFUSE to take his reports seriously.

We all know where this official refusal to recognise the truth can lead.

Billions of people are about to die around the globe because Chinese authorities supressed the truth about coronavirus.

We are not for one moment suggesting that Darlington's talking dog problem is on the scale of the Chinese death plague.

But it points to where the official denial of truth can lead.

It's time for Boris to come clean!

I'M THE REAL SUPER-SPREADER!

Sex-mad Penny has spread her legs for more than 3,000 fellas

AT LEAST THREE TIMES A WEEK: Penny loves cock

By PENNY MARSHALL
news@sundaysport.co.uk

WHEN Penny Gorton heard about a super-spreader on the news she didn't think of an overgrown boy scout passing killer coronavirus around the world.

She actually thought: "Why is Beeb broadcaster Huw Edwards talking about me?"

Because the sexy 57-year-old was nicknamed "super-spreader" years ago thanks to her love of nookie with strangers!

Last week Brits were shocked when it was revealed businessman Steve Walsh had infected at least 11 people with the new virus after a trip to Singapore.

On his way home he stopped off in France to go skiing before heading to his home in Brighton.

He has now been released from hospital.

Throne

But Anne, from Fleetwood, Lancs, now wants to let the world know that she's the real super-spreader, and described Steve as a mere pretender to the throne.

The barmaid told *Sunday Sport*: "I first had sex aged 16 and have been getting porked left right and centre ever since.

"I will spread my legs for anyone who smiles at me. As long as I get some cock in me I don't care. I reckon I have shagged more than 3,000 fellas.

"I've been through half of Fleetwood and probably half of Glasgow, when they come down to holiday in Blackpool!

"My mates all called me the super-spreader because I spread my legs so often.

IN THE NEWS: Steve Walsh

"So it was a bit of a schok when I heard Huw Edwards talking about a super-spreader on *News at Ten*.

"I thought, 'What are they talking about me for?' Then I saw it was something to do with coronaviurus. I knew that couldn't be me because I always use johnies.

"But I'm the real super-spreader and I am proud of my shagging antics. I'm 57 and I haven't slowed up yet – I'm still getting it at least three-times-a-week and I don't plan to stop any time soon."

Upskirter, 72, caught when flash went off on his mobile

A 72-YEAR-old man was caught taking an upskirt shot on a train heading to Waterloo station when his flash went off, a court heard.

John Richardson tried to take a sly snap but his disgusted victim challenged him as the carriage lit up and she asked other passengers to confirm what had just happened.

She felt "shocked and vulnerable" after the incident on September 16 last year.

Leila Nahaboo, prosecuting, told Westminster JPs: "The victim was on her laptop when her attention was drawn to his waist when a flash on his phone went on.

"The defendant made conversation with the woman. He did say he had taken them (the photos) with the intention to view them later."

Gil Martin, defending, said: "He saw an attractive woman on the train with bare legs. He went to take one picture of her legs and the flash goes off.

"Of course he did not realise at the time that would happen. He was caught in the act."

Richardson, of Walton-on-Thames, Surrey, sat hunched, staring straight ahead as Judge Alexander Jacobs postponed the sentence till February 25 for reports but guaranteed he would not be sent to jail.

Woman was a sex slave for 31 years

PROSECUTORS have charged a man who held a woman as a sex slave for 31 YEARS.

Matias Salazar, 56, was accused of crimes including psychological violence, sexual violence and sexual slavery of the 49-year-old woman identified only as Morella.

In a statement they said: "The perpetrator manipulated and deceived Morella so that she would leave her home three decades ago," adding that Salazar was arrested in Maracay near the Venezuelan capital Caracas and is being held at a police station.

He had lived for years with another woman and his daughter in a building across the street from where Morella was held.

Morella escaped from the apartment building on January 24 and sought help at a women's advocacy agency.

Perv admits back seat bus w*nk

A MAN has admitted performing a sex act on himself on a packed bus.

Michael Reid, 35, looked at two female passengers while having a wank on the back row of the top deck on the No.11 Stagecoach bus at Saltcoats, Ayrshire.

He would pause as new passengers were boarding the bus, so as not to draw attention to what he was doing.

Reid, of Kilwinning, has now been placed on the Sex Offenders' Register after pleading guilty to intentionally engaging in a sexual act in the presence of two minors, contrary to Section 22 of the Sexual Offences Act 2009, at Kilmarnock Sheriff Court.

Procurator Fiscal Depute Saud Ul-Hassan told the court the incident took place at about 8.20am on July 26 last year, after the girls boarded the bus.

Mr Ul-Hassan said: "He was sitting with a Tesco carrier bag which had a bottle of alcohol in it, and they noted he had repeatedly taken out the bottle to have a drink.

"The witnesses continued to chat to each other and saw the accused masturbating his erect penis over his trousers."

The girls were so scared of Reid (*left*) they began to text each other, rather than speak out loud, and agreed to pretend they were getting off the bus at the next stop.

They told the driver what had happened, and he called a supervisor, before Reid then got off the bus.

As he was detained by police at his home, officers noted it was dirty and there were empty cans and bottles of booze everywhere.

Sorry

When cautioned and charged with the offence, Reid replied: "I have to be guilty. I'm really sorry."

Sheriff Shirley Foran called for background reports to be prepared ahead of sentencing, with a risk assessment, and continued Reid's bail.

Naked nut driver not guilty over road death

A MAN who drove while naked has been found not guilty on mental health grounds after a road worker was killed in a crash.

Blaine Rock, aged 22, was killed while working alongside his father Harry and their workmate Paul Currie, on a road surfacing crew, in Nuneaton, Warks.

Sorin Laszlo was spotted driving stark naked past a queue of cars waiting at a red light on the B4112 in September 2018.

Mr Currie was also injured and needed hospital care for three months.

Laszlo carried on driving his Peugeot 308 before crashing into a lamppost and ending up in a hedge, a court was told. He was detained by onlookers until police arrived.

Laszlo had denied causing death by dangerous driving and causing serious injury and was acquitted by reason of insanity following a trial at Warwick Crown Court.

But 42-year-old, from Nuneaton, still faces an order under the Mental Health Act detaining him in a psychiatric unit after being declared legally insane.

The case was adjourned until February 27.

ANTIQUE: Oak gun cabinet similar to one perv Perkins (*above*) had good tug in

THE big news last week was PM Boris Johnson's Cabinet reshuffle.

But don't ever mention cabinets and shuffling to dirty Alan Perkins.

Because the warped 50-year-old is just starting a three-month stretch for having a FIVE-FINGER shuffle in an antique cabinet.

Noises

Oddball Perkins was caught after "strange noises" were heard coming from the oak gun cabinet at a London auctioneer's – which cannot be named for legal reasons.

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

Staff, who were showing round potential buyers, including a "famous Russian gentleman", opened the doors of the six-foot cupboard and found Perkins inside with his trousers around his ankle and his "semi-erect" penis in his hand.

The court was told that Perkins mumbled: "I'm sorry, I'm lost" before trying to flee.

Unfortunately, he had forgotten he had his trousers round his ankles and came a cropper at the feet of the Russian client's bodyguards.

The court heard it was only the intervention of the auction staff that saved the unmarried librarian from "a sound beating" from the heavies.

Damage

Perkins admitted public indecency and criminal damage caused to the casing of the cabinet.

He was locked up for three months and ordered to pay £700 compensation to the auction house.

Boris Johnson killed my gerbil

THE shock resignation of Sajid Javid last week may have been bad news for the former Chancellor, but it was even worse news for a little gerbil called Popsy.

Because Popsy's owner was so furious with how Mr Javid was treated by his Tory boss Boris, she took a hammer and TWATTED the rodent to DEATH!

Widow Mabel Joyce, 76, was furious at the news of Mr Javid being put in the "impossible position" of having to sack his team of advisers if he wanted to carry on at the Treasury.

She fumed: "It's yet more evidence of the baleful influence that Johnson's unelected adviser Dominic Cummings has on this government. For, make no mistake, Cummings was behind Mr Javid being pushed out of his post.

"When I heard the shocking news I was so angry I grabbed a hammer and, unfortunately, Popsy was there and she took the full brunt of my rage.

"In a very real sense, Boris Johnson – and Dominic Cummings – killed my poor Popsy.

"I'll certainly be sending Downing Street a bill for cleaning my carpet."

ANGRY: Mabel (*above*) killed poor Popsy

Doctor Woohoo!

BOOBS YOU WON'T SEE ON TV TONIGHT

IN AND OUT: Sarah keeps her best bits covered in *Doctor Who (left)* but let it all hang out *(right)* in *The Team* in 2015

IF you've got over the shock of the Time Lord being a Time Lady, you may well be looking forward to tonight's episode of *Doctor Who*.

In it, Jodie Whittaker's time-travelling do-gooder *(right)* and her pals go back to 1816, where they visit the Villa Diodati on the shores of Lake Geneva as Lord Byron and the Shelleys plan a night telling ghost stories.

The plot is fast-paced and mildly bewildering – but concentrate, if you can, on a character called Elise.

Because she's played by an actress called Sarah Perles – and Sarah's been in some stuff that's certainly NOT for Sunday teatime viewing.

In 2015, she was appearing in *The Team* – a German series about a pan-European crime fighting

outfit.

And being a German series, nudity was involved – Sarah's in particular.

'TERRY WOKEN' WAKES UP IN HOSPITAL

PC tosser battered unconscious by old ladies

THE modern phenomenon of "woke-ness" has to be one of the most irritating – as self-styled social justice warriors battle to impose their politically-correct creed on the rest of us.

But few "woke" people are more irritating than Terry Wigton who patrols social media – and the streets of his home town of Barnsley, South Yorks – alert for violations of his right-on creed.

Until recently, "voluntarily unwaged" former college lecturer Terry, 54, used the Twitter name @TerryWoken67 to wage his campaign against common sense and right-thinking folk.

But it was at a bus stop that real Britain fought back – in the form of two little old ladies who beat the "non-binary polysexual" unconscious after he treated them to the benefit of his enlightened thinking.

Recovering in his "safe space" – a council bedsit in Barnsley's Hoyle Mill area, shaken Terry said: "I was travelling into town to sign on and came across two senior persons who presumably identified as female at the bus stop.

"I was immediately triggered as they were talking about going to the butcher's and I had to resort to deep-breathing to wipe those images of carnivore-holocaust from my mind.

Hanging

"They started talking about young people who were 'hanging about' the war memorial and how it was, in their blinkered, Brexit-warped minds, a 'disgrace'.

"I could not remain silent any more and said, 'If young people desecrate memorials to imperialist, fascist war-mongering, they are performing a valuable social duty and they should be celebrated.

"'I shall be writing to the Arts Council to recommend them for a grant'.

"One of them started saying that her father had been in a Japanese prisoner of war camp so I reminded her the Japanese in the Second War were merely reacting against the hegemony of the white man in the Far East.

"That's when they set about me with their umbrellas and I fell, rendered unconscious by their onslaught of hate, and was later taken to hospital.

"As a result, I failed to sign on and so have lost my benefits. Another victory for the hated Tory plutocrats and oppressors of the workers."

Terry said he was "forced to take sanctuary" at his community outreach group where he later re-enacted his terrifying ordeal through the medium of modern dance.

He added: "Several members of the group were in tears and Tarquin, the non-hierarchical leader of the group, suggested we join in a group howl of pain. That really helped."

Terry has now launched a GoFundMe page to raise cash to help him get over his "soul anguish".

Macron pal pulls out of Mayor race over pornos

THE front runner to become mayor of Paris has pulled out of the race following the online publication of pornographic videos and messages featuring himself.

Benjamin Griveaux – a member of President Macron's LREM party – withdrew from the campaign after the X-rated images were shared on a blogpost by controversial Russian artist Piotr Pavlenski.

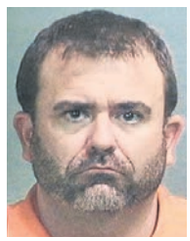
Griveaux sent the videos to a woman who subsequently sent them on to Pavlenski.

Griveaux announced his departure from the race in a video, saying he regretted "revolting attacks" against his campaign.

He added: "A website and social media have published revolting attacks against me and my privacy.

"Our project for Paris, which my campaign team and I have built and fought for, will live on without me. This is a hard decision for me, but I do not wish to put my family and myself at risk any more."

His withdrawal from the race is yet another major blow for Macron's party La Republique en Marche in Paris' upcoming municipal elections.



Dirty Sir snapped nude teen tanning

A TEACHER who used his phone to record a nude 14-year-old girl at a tanning salon faces up to five years in prison.

Jacob Emmendorfer, 43, has pleaded guilty to one count of capturing an image of an unclothed person.

Prosecuters dropped two counts of using a computer to commit a crime.

The charges are connected to an alleged incident that took place in Vienna Township in Michigan.

Emmendorfer *(above)* told cops that he fantasised about looking into other rooms where people were tanning and used those fantasies while masturbating.

He has since been sacked from his post at a school in Flint, Michigan.

NAKED PROTEST: Beauties including Gemma Collins have posed in buff for PETA

By WENDY THOMAS
news@sundaysport.co.uk

MILITANT bunny-huggers PETA have called time on their iconic I'd Rather Go Naked Than Wear Fur campaign.

It began in 1990, when rock icons The Go-Go's posed in the buff for a poster, which they sold at concerts to raise money for PETA.

Then top models Christy Turlington and Tyra Banks stripped for the series.

Since then, PETA have shot dozens of ads, held hundreds of protests, and crashed fashion show runways, all in the name of their anti-fur campaign.

But earlier this month, their senior vice president Dan Mathews, who conceived the idea, said: "Nearly every top designer has shed fur, California has banned it, Queen Elizabeth has renounced it, Macy's is closing its salons.

"PETA will now expand our efforts to expose the violent leather and wool trades."

So before PETA come for your woolly jumpers and your shoes, how about we enjoy some of the loveliest ladies who supported the campaign...

Sports ace 'plays with his cock in a car park'

BASEBALL star Reese McGuire has been arrested after cops say he was caught exposing his penis in a car park.

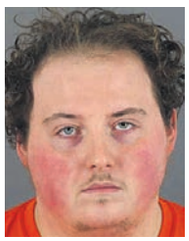
Police were called after a man was seen inside an SUV pulling his pud.

Officers found Toronto Blue Jays catcher McGuire (*above*), 24, with his shirt "barely covering his genitals" and his sweatpants around his ankles.

Cops say when they arrived at the car park in Dunedin, Florida, they identified McGuire as the suspect, and say he was "cooperative and did not deny the allegations."

McGuire was charged with "exposure of sexual organs."

Cops say McGuire is due in a Florida court in mid-March – a spring training off day for the Blue Jays – to face charges.



Perv hid a camera in changing room

A SWIMMING coach has been charged with setting up a hidden camera inside an employee locker room.

Jacob Masbruch, 21, was arrested after a 17-year-old instructor told police she found a mobile phone hidden inside a tissue box on a shelf in the room.

The phone had been positioned toward the showers and changing area, the girl told police.

Masbruch (*above*) overheard the girl report the incident and fled the Swimtastic Swim School in Waukesha, Wisconsin.

He was later arrested near his home.

Cops found videos on his phone of four girls and women in various states of undress.

If convicted, Masbruch faces up to 25 years in prison.

MORSE BABE BARED

BOOB-IFUL: *Endeavour* hottie Steph *(below)* got kit off *(above)* in 2005 film

SHAUN Evans is no fool.

When the 39-year-old *Endeavour* star took the helm to direct the ITV series for the first time, he set some of the action in Venice and had his character romping in the sack with a sexy Eyetie bird.

As the Morse prequel is pre-watershed, there was unfortunately no teat on show.

But the actress who played Morse's fancy bit Violetta, London-born beauty Stephanie Leonidas, is certainly not shy.

Because in the 2005 movie *The Feast of the Goat* the half-British, half-Greek beauty got the LOT off.

A fan said: "If I was to direct a TV episode, I'd have a bird like Stephanie in it, probably nude and ideally doing tinkle on the toilet. Or into a jam jar.

Big-boobed lawyer gets nicked over selling guns

A BIG-BOOBED lawyer has been busted for selling unlicensed guns and CRYSTAL METH.

Melinda Romines acted as a go-between for black-market arms dealers, buying the weapons then re-selling them to customers.

In one of the deals, she allegedly sold a .40-calibre pistol, an AR-style rifle and a silencer to a buyer in a car park in 2018, police said. Both of the guns had their serial numbers scratched off.

In another Los Angeles car park a few months later, she allegedly sold another illegal .45-calibre pistol in a deal that made her over £600.

A month later, she and an accomplice sold four ounces of the drug methamphetamine in two deals.

Romines (*above*), 41, of Anaheim, California, was indicted on one count of conspiracy to engage in the business of dealing in firearms without a licence, one count of possession of an unregistered firearm, and two counts of distributing methamphetamine, authorities said.

A colleague in her law firm said: "Up until now, she was just known for the big guns she hid under her blouse."

Country counts cost of condoms

VENEZUELANS are too poor to have SEX because the country's economic crisis has left them unable to afford johnnies.

A box of three condoms costs £1.50 – while the average salary in the benighted country is just under a fiver a month.

As a result, many couples have been forced into "sexual hibernation".

Young couples, unable to afford to buy of eeven rent a home, have been forced into giving each other handjobs in public space, authorities say.

One Venezuelan said: "In pursuing Corbyn-style, left-wing economic policies, our country has plunged into despair. We cannot even afford to fk. That is what Britain would have been like under Corbyn. You've had a lucky escape."**

PERKY ROLE: Emily bared her boobs in *The White Queen*

BBC BOOBS ROW BABE TOPLESS

LEFTIES' favourite director Stephen Poliakoff has run into a storm after an actress claimed he tried to pressure her into doing nude scenes for a BBC drama.

Actress Emily Berrington, 34, claims award-winning Poliakoff, 67, became enraged after she asked for more details of potential nude scenes when she was filming mini-series *Close to the Enemy* in 2016.

Berrington, who has also appeared in *Humans*, *Outnumbered* and *Sons of Liberty*, says she was reduced to tears and decided to pull out of the post-war drama.

By WENDY THOMAS
news@sundaysport.co.uk

But BAFTA winner Poliakoff denies pressuring the actress and said he was 'sorry' to hear she was upset by the situation.

Emily is certainly no prude when it comes to on-screen nudity.

She whipped out her lovely little teats for the 2013 historical drama *The White Queen*.

Emily told lefty bible The Guardian she asked Poliakoff how long she would have her clothes off, what the lighting would be like and whether she could choose which body parts were exposed.

Shouting

But she told the newspaper he lost his temper and accused her of being 'difficult'.

"He started shouting really aggressively and saying I was being precious and it was too difficult to work with actresses like me," she said.

She claimed Poliakoff said that he 'shoots what he wants'.

But the director told the newspaper: "I am sorry to hear Emily is upset. As I recall, my main purpose of the discussion – which took place a couple of months before the actual shoot – was to reassure her in a supportive way about the role.

"I have always been very conscious that nude scenes are extremely stressful for actors, male or female, and never want them to feel uncomfortable in any way."

Only last year, *Game of Thrones* star Emilia Clarke claimed HBO bosses guilt-tripped her into performing multiple nude scenes she wasn't comfortable with so she 'didn't disappoint fans'.

DUBIOUS OFFER: 'Kind' Roy has a bit of previous

ROY OFFERS TO BE RAID VICTIM'S KNIGHT IN SHINING ARMOUR

By JUSTIN DUNN
news@sundaysport.co.uk

DEAR Kelly Brook was left traumatised after finding a burglar in her home and has reveaked she "won't be alone" overnight in the wake of the terrifying raid.

The TV star is understood to have disturbed the intruder when returning to her luxury London home after presenting her Heart FM radio show last Tuesday evening.

Busty Kelly, 40, was unhurt but revealed she was "really shaken up" by the burglary, in which precious jewels were stolen.

But now help is at hand for the top-heavy star in the form of close protection expert Roy Green, who says he will offer his services to the model and gardener for FREE!

Selfless

What's more, selfless Roy, 42, says he will even sleep under Kelly's bed if that will make her feel more secure in her home.

Roy, who admits he has "a few" convictions for indecency, said: "When I read about poor Kelly not feeling safe my blood boiled and I decided to be her knight in shining armour.

"I'll be her protector and bodyguard and, if needs be, I'll lie under Kelly's bed while she sleeps under her goose-down quilt with tasteful blue trim.

"Or, if she'd prefer, I could hide in that antique wardrobe next to the chimney breast."

SHAKEN: Busty Kelly has vowed not to be alone

Asked how he knew such details about the interior of Kelly's house, Roy mumbled: "Educated guess."

Kelly may want to think twice about taking up Crewe-based Roy's offer.

In 2008 he was found under a woman's bed in Leeds. He told police he was "looking for Shannon", referring to the at-the-time missing nine-year-old Shannon Matthews.

He was jailed for three years after a court heard he had been stark naked at the time and had pages from the girl's comic Bunty Sellotaped to his penis.

After the raid on her house Kelly said: "I'm so, so upset. It's really shaken me up. I won't be staying by myself tonight."

Nut run over hookers with his quad bike

A LOON has been found guilty of running over a hooker with a quad bike on the drive of his parents' farm.

Curtis Sagmoen was found guilty of assault causing bodily harm for driving his quad into the prostitute that he'd called to the backwoods location in the summer of 2017.

The hooker – who cannot be named under a court order – said Sagmoen had driven his quad at high speed into her while she was walking back down a dirt road to her car in North Okanagan, British Columbia.

The incident had taken place just weeks before Sagmoen (*above*), 39, ambushed another escort and pointed a gun at her, an event he was found guilty for in December 2019.

In the autumn of 2017 the remains of 18-year-old drug addict and prostitute Traci Genereaux were found on Sagmoen's farm.

No-one has yet been charged, and police have not released any details of how she died.

Sagmoen will be sentenced on March 2.

I DON'T trust the press. Sometimes they wear badges that say 'press', but if you press those badges they just fall over all surprised.

Arrested for naked strip at Subway

A MAN was arrested and charged with public lewdness after he stripped naked outside a Subway restaurant.

When cops arrived at the scene James Linnus Dillon, 63 (*above*), told police he wanted to invoke his right to remain silent.

The arresting officer said in a statement: "Upon arrival I was stopped by a female who advised me that the male walking south on Bluff Street had just been completely naked, exposing his genitals in public.

"The female who had stopped me said the male, who I recognised as James Dillon from a previous incident, had gotten fully dressed at Subway, but left his sweatshirt and belt."

Dillon, who was on probation at the time of the incident, was later taken to Washington Co Jail in St George, Utah, with bail set at £2,000.

10 things you might not know about THE CENSUS

THE 2021 census could be the last one ever carried out, the UK's national statistician has revealed.

Prof Sir Ian Diamond (above) said he was examining cheaper alternatives to the 10-yearly compulsory questionnaire delivered to every UK household.

The census, which has been conducted for almost 200 years, provides valuable population information to help councils and the Government plan services.

But Sir Ian said he was "hopeful" data from other sources could replace it.

What do we know about this 10-yearly bit of official nosiness?

Here are a few facts you may not have known…

1 **THE word 'census' originates in ancient Rome from the Latin word 'censere' – meaning 'estimate'.**

2 THE first known censuses were taken by the Babylonians nearly 6,000 years ago.

3 **PERHAPS the most well-known census is recounted in the Bible. Luke Chapter Two, Verses One to Four, describe Mary and Joseph travelling to Bethlehem to take part in the census while Mary is heavily pregnant with the little Baby Jesus.**

4 THE first thorough survey of England was in 1086 when William the Conqueror ordered a detailed list of land and property, known as *The Domesday Book*.

5 **A CENSUS has been held every decade in Britain since 1801 except in 1941 because of the Second World War.**

6 IN England's 1871 census, categories of 'lunatic' and 'imbecile' were added to the 'list of the infirm'.

7 **IN 1911 the suffragettes encouraged women to boycott the census by staying out at all-night parties.**

8 In 1991, up to a million people again avoided the census, which was conducted during the time of the poll tax debate, in case the Government used it to enforce the tax.

9 **BEFORE the 1951 census women were asked not to lie about their age.**

10 DATA given in the census is protected by law and does not leave the UK. It is a criminal offence to disclose personal census data – punishable by a fine and/or up to two years in prison.

DEANO ON SUNDAY

Actors are just self-important bunch of fakers

WE'RE in the middle of the movie awards season where the great and the good of Hollywood troop on stage to be handed gongs – for doing their obscenely well-paid jobs.

If that were not bad enough, it's also the time actors, directors, producers and sundry hangers-on parade their riches and – their "social consciences".

Those "social consciences" don't seem to extend to having any qualms about working in an industry fuelled by perversion and sexual depravity – see Roman Polanski, Harvey Weinstein, et al – but there you go.

We had Brad Pitt whining about President Trump getting off his impeachment charge and Joaquim Phoenix mooing about the dairy industry at the Oscars.

But surely the award for most preposterous virtue signalling should go to Jane Fonda. And it was not in a speech, it was in an Oscars night tweet.

Fonda, as you know, is most famous for making an exercise video in 1982 and, 10 years earlier, for touring North Vietnam at a time when the North Vietnamese were killing young American soldiers.

At Oscars wearing Pomellato jewelry because it only uses responsible, ethically harvested gold and sustainable diamonds. #Oscars

An act that once could have been called "treachery".

Anyhow, Hanoi Jane leapt into the spotlight again on Sunday night to parade her woke credentials – and jewellery.

Showing off a bangle, a ring and a pair of earrings that would have suited a Wolverhampton transvestite, she tweeted: "At Oscars wearing Pomellato jewelry because it only uses responsible, ethically harvested gold and sustainable diamonds. *#Oscars*"

Have you ever heard such self-serving, vomit-inducing guff?

"Not only am I much richer than you – look at my gems! – I am also a better person than you because I wear sustainable diamonds."

Bollocks

Why do we let actors get away with this bollocks? Why do we give people whose job is "playing make believe" a platform for gibberish?

When they make some utterance we are expected to receive their pearls of wisdom with a doff of the cap and an awed sigh.

Why? These people READ OUT WORDS THAT SOMEONE CLEVERER HAS WRITTEN FOR THEM.

They are NOT IMPORTANT. They are NOT WISE.

When they say something that sounds important, we should remember that "making something sound important" is what they do. It's their job.

So let them hand each other awards at glittering ceremonies where champagne and cocaine are sloshing around their ankles.

But please let's not take these professional fakers seriously.

BARRY'S TRIP TO HELL AT CENTRE OF CHINA DEATH PLAGUE

GREAT HAUL OF CHINA: Journey Barry inadvertently made after night of revelry and (main pic) stuck in Wuhan

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK in Wuhan

news@sundaysport.co.uk

WE'VE all done it – curled up for a nap somewhere random after over-indulging on a night of revelry.

But when unlucky Barry Smith dropped off for a kip in an empty shipping container in his home town of Biddulph, Staffs, he had no idea it would be the start of a 6,000 MILE terror odyssey that would take him to the Heart of Darkness.

For when the container was pulled open and a severely-weakened Barry released, he found he was in Wuhan, China, epicentre of the deadly Corvid-19 death plague!

A BIT OF BAD TRUCK: Container Barry slept in headed to Wuhan

Roofer Barry, 25, said: "Little was I to know but the container I'd fallen asleep in belonged to a Chinese firm and as I slept it was loaded on a truck, taken to a ship, sailed back to China, then up the Yangtze River to Wuhan.

"Now I'm surrounded by hazmat-suited health officials chucking bodies onto funeral pyres."

Despite being treated for malnutrition and put on a drip for dehydration in a Wuhan hospital, Barry has not so far contracted the plague.

But his most immediate concern is getting home.

Wuhan is effectively sealed off from the rest of the world and it's thought the UK government is just days away from banning all flights from China in a bid to slow the spread of Corvid-19.

Barry said: "I think that for the moment, I have to resign myself to staying here for a while. At first, I thought it would not be too bad as I love Chinese food.

"But this is nothing like my local takeaway. There's no egg foo yung or prawn balls. They eat bats, rats, mice, snakes, elephants' arseholes, you name it."

It's believed consular officials are aware of Barry's plight.

Copycat 'metal' arsonist faces 70yrs

AN arsonist faces up to 70 years in jail after torching three churches and bragging about the attacks online to promote his "Black Metal" image.

Holden Matthews, 22 (*left*), pleaded guilty to three counts of violating the Church Arson Prevention Act for the 2019 spree in Opelousas, Louisiana.

He was inspired to set fire to the churches by another Black Metal artist who did the same in Norway in the 1990s.

Matthews admitted recording the arsons and posting the vids on Facebook to brag about the crimes and also raise his profile in the Black Metal community.

AS DAVID TENNANT PLAYS NOTORIOUS SERIAL KILLER IN NEW ITV

Nilsen dismembered flushed flesh down the toilet...and left the big bones for the binmen

GUILTY: Nilsen on his way to prison after he was sentenced to a minimum of 25 years

COME DIE WITH ME: Stove where killer cooked body parts

FOR five years London's gay community lived in fear of a serial killer in their midst.

But only after 14 murders did the beast make a mistake – leading police straight to the door of Dennis Nilsen.

The former soldier and cook had used his skills to dismember his victims' bodies, helping him evade capture.

When his luck ran out the 37-year-old confessed his crimes, only apologising to cops for forgetting some of the details.

The grisly story will be re-told in a forthcoming ITV drama with former *Doctor Who* actor David Tennant in the lead role – looking eerily like Nilsen.

But we can tell the whole shocking tale right here…

To all who knew him Dennis Nilsen was a respectable civil servant. He was diligent, some would say a workaholic, and he was a committed trade unionist.

Most of all the Scot was normal, likable even.

Hobby

But away from the office he had a secret hobby… killing, and he was responsible for the deaths of at least 15 men.

His first kill was a young, unidentified Irishman in December 1978.

The pair had met in the Cricklewood Arms in north London. As they drank together Nilsen convinced the man to come back to his house on nearby Melrose Avenue, where the pair drank more before falling asleep.

In the night Nilsen awoke with the desire to take his first life.

He took a cord from the end of the bed, wrapped it around the young man's neck and pulled.

There was a brief struggle but soon the man was still.

What followed next set a pattern for most of the murders that followed.

He bathed the dead man's still warm body, shaving it of all its body hair before drying it and putting it to bed. The next day the body was placed under floorboards.

It lay hidden for eight months until Nilsen burnt it on a bonfire in his garden and buried the remains.

It took Nilsen nearly 12 months to kill again.

His second victim was 19-year-old Canadian Kenneth Ockendon, who he'd met in the Princess Louise pub in Holborn on December 3, 1979.

When the pub closed Kenneth accepted an invitation to go back to Melrose Avenue.

As he sipped whisky, listening to music on a pair of headphones, Nilsen wrapped the stereo cord around the young man's neck.

Again he was bathed and taken to bed, before being hidden under floorboards.

Kenneth was later taken out from the hiding place to watch television with Nilsen.

Victim number three was Martyn Duffy, a 16-year-old rent boy Nilsen picked up in London's West End.

Nilsen would later go on to describe Martyn's death in grim detail, saying: "I strangled him with great force in almost pitch darkness. As I sat on him, I could feel his urine come through the bedding. I pulled him over my shoulder. He was unconscious but still alive. I put him down, filled the kitchen sink up with water and held his head under it.

"I carried him to the bathroom. I got in the bath myself this time and he lay on top of me. Then I sat him on the kitchen chair and dried us both. He was still warm and I spoke to him.

"I kissed him all over and held him close to me. I sat on his stomach and masturbated.

"I kept him temporarily in the cupboard. Two days later I found him bloated. He went straight under the floorboards."

The fourth victim was Billy Sutherland, 27, from Edinburgh, a male prostitute. He was strangled with Nilsen's bare hands.

Drinking

At this point Nilsen's drinking was out of control and he had trouble remembering the details of his targets as he cruised the gay bars.

Yet his confessions are the only means police have of establishing the truth about his crimes and they struggle to fill in the gaps in Nilsen's memory.

All he could recall of his fifth victim was that he was an Asian sex worker, the sixth was an Irish labourer, and the seventh a "hippy type".

Victim eight was only remembered by what happened to his corpse – cut into three pieces and shoved under floorboards.

Nine and 10 were young Scots picked up in Soho's gay Dean Street area.

Nilsen did manage to remember more about his 11th kill, a skinhead picked up in Piccadilly Circus.

Around his neck was the tattoo, "cut here".

Victim 12 ironically had his life saved by Nilsen.

Malcolm Barlow had collapsed outside a pub in Dean Street. Nilsen found him and called for an ambulance.

After release from hospital on September 18, 1981, Malcolm paid a visit to Nilsen to thank him for saving his life.

He was invited inside, plied with drink and then throttled.

He was Nilsen's last victim at Melrose Avenue.

DRAMA, WE REVEAL THE SHOCKING STORY

the corpse,

UNCANNY: Actor David Tennant (*left*) plays serial killer in new ITV drama

HOUSE OF HORRORS: Nilsen (*above*) lived – and murdered – at his Cranley Gardens flat

The killer moved house, and it was this that led to his capture.

Nilsen had a system for body disposal. Describing it he said: "I had to have a couple of drinks before I could start.

"With a knife, I cut the head from the body. There was very little blood. I put the head in the kitchen sink, washed it and put it in a carrier bag.

"I then cut off the hands, and then the feet. I made a cut from the body's navel to the breast bone. I removed the intestines, stomach, kidneys and liver.

"I would break through the diaphragm and remove the heart and lungs.

"I put all these organs in a plastic bag and then separated the top half of the body from the bottom half.

"I removed the arms and legs below the knee. I put the parts in large, black carrier bags.

"I put the chest and rib cage in a large bag and the thigh/buttock/private parts (in one piece) in another. I stored the packages under the floorboards."

Nilsen would later hide the body parts in a shed in his garden, before burning them with tyres to disguise the smell.

But in October 1981, when Nilsen moved to Cranley Gardens, the floorboards could not be pulled up and there was no garden for bonfires.

So when he killed John Howlett in December 1982 he needed a new body disposal method…

Boiled

John's corpse was cut up into tiny pieces and boiled in Nilsen's kitchen before being flushed down the toilet.

Larger bones were left for the binmen to take away.

And the technique worked.

Nilsen had got away with his 13th murder. He repeated the process after killing drifter Graham Allen and drug addict Stephen Sinclair, rendering their flesh down on his stove before flushing away the bodies.

But the body parts were too much for the sewage system and caused a blockage.

After finding a flesh-like substance in the drains the cleaning company called cops.

Nilsen was arrested and charged with the murder of the six men the police were able to identify from remains that had been found at Cranley Gardens and Melrose Avenue.

He pleaded not guilty due to mental illness, but a jury at the Old Bailey ruled him sane.

He was sentenced to 25 years but the Home Secretary Leon Brittan later imposed a whole life tariff.

Nilsen died in prison last year. He spent his final hours in his cell in "excruciating pain" with internal bleeding, his inquest heard.

He died lying in his own filth.

A fitting end for a monster.

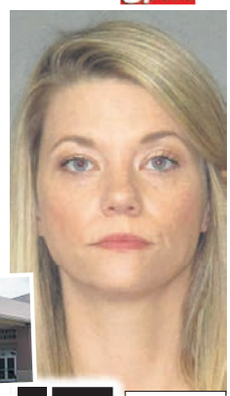
RANDY SCIENCE MISS 'LOVED IT IN THE ASS'



CHARGES: Ellarea Silva had affair with teen pupil

A RANDY teacher had sex "eight or nine times" with a 15-year-old student at her home.

Science tutor Ellarea Silva, 34, turned herself in to police following allegations she had sex with the boy on "multiple occasions" last summer.

The illegal fling began when Silva emailed the teen using both their school email addresses.

Communication quickly switched to their personal emails "so the school could not track it", cops said.

The boy claims Silva would pick him up from his home and drive him to her house where they would have sex.

He said they had sex eight or nine times in her home, while Silva's child was also present in the house.

Marijuana

Silva is also accused of giving the boy a vape that may have contained THC – the chemical compound found in marijuana.

The boy told cops: "She wanted it all the time. She'd suck on my dick like I've seen in porn movies and she just loved it in the ass. One time she stuck a dildo in her ass when I was done f**king her in the pussy."

As the fling continued, the teen told Silva he wanted to make their relationship public but the teacher pleaded with him to stay quiet "due to how his disclosure would affect her career and her family".

Silva, from Zachary, Louisiana, was placed on leave from the school on January 24, the day police learned of the allegations.

Zachary Schools Superintendent Scott Devillier said in a statement: "Immediately, when it was brought to our attention, we reported it to law enforcement and placed the employee on administrative leave.

"No-one is covering up anything, nor sweeping anything under the rug. We are following the law and I am unable to comment beyond this."

Silva is currently being held in custody on a bond of £200,000.

She faces charges including indecent behaviour with a juvenile, carnal knowledge and oral sexual battery.

Georgie enjoys a hot lesbo love-in!

By WENDY THOMAS
news@sundaysport.co.uk

JAUNTY Georgie Darby has shared her lesbian FINGERING secret.

Georgie, who's 27 and from Guildford, Surrey, revealed it all kicked off at a pub near her home.

The 32F stunna said: "I was with my friend Michelle, who I've snogged loads of times in the past, on an all-day session.

"We got talking to another girl called Helen in a pub beer garden and soon the three of us were flirting like mad.

Licking

"We decided to have a kissing competition to see who was the best kisser and pretty soon things got out of hand.

"Michelle fingered me under the table and I got Helen's boobs out and started licking them.

"The three of us ended up back at mine and I hitched up Helen's skirt, pulled down her knickers and started licking her.

"Then Michelle pulled my trousers down and started fingering me.

"I was already soaking wet, so she easily had three fingers inside me.

"What a day!"

CLAUDIA LOVES IT OUTDOORS!

CURVY Claudia Dean may live the high life during the working week as one of the world's top glamour models.

But at the weekend she's much happier being out in the countryside enjoying some fresh air.

By WENDY THOMAS
news@sundaysport.co.uk

And one of her rather interesting new hobbies is alpaca trekking!

She said: "Alpacas are a kind of small llama and they are becoming really popular her in the UK.

"I've been down to this little farm in Hampshire where you can get an hour trekking around for about the price of a couple of drinks in a West End bar.

"They are such friendly animals but first and foremost, it's an opportunity to enjoy the great outdoors.

"After an hour in the fresh air I'm ready for my Sunday carvery – three meats, roasties, mash, carrots and peas."

LEGENDS OF PORN

PART 95

CASSIDY BANKS

By PENNY MARSHALL
news@sundaysport.co.uk

CURVY Cassidy Banks went in at the deep end when she decided to take up a career in porn...

Because her first film was *Big Tit Creampie 30*.

And she quickly got a taste for the adult industry – starring in flicks like *Cassidy is Ready to F**ker Herself With a Machine, I Love My Sister's Big Tits 2* and *Cassidy Banks Pees in the Bathroom*.

The 27-year-old has been a big success as a porn star thanks to her all-natural 38DDs – and love of cock.

Talent

Asked what her biggest talent is the stunna, from Denver in Colorado, said: "Deep throating."

As well as starring in hundreds of see-it-going-in porn scenes Cassidy also runs a fans site where you can pay to see her perform in private.

She also loves to perform private videos were fans can write her a script and she then performs it for them.

A source said: "Cassidy is a good worker and has done well out of the business.

"She's worth more than £5million, you know!"

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Manchester…

RACHAEL KENT
AGE: 23
OCCUPATION: Bar Manager
FAVE DRINK: IPA
FAVE FOOD: Indian
FAVE FILM: *1917*
FAVE ACTOR: Brenton Thwaites
FAVE HOLIDAY: Australia

MELISSA WALKER
AGE: 22
OCCUPATION: Barmaid
FAVE DRINK: Rum and Coke
FAVE FOOD: Vietnamese
FAVE FILM: *Blade Runner 2049*
FAVE ACTOR: Dylan O'Brien
FAVE HOLIDAY: Vietnam

WILLY SIZE

RACHAEL: Did I tell you about the guy I shagged last year who was hung like a horse?
MELISSA: No, how big was his willy?
RACHAEL: It must've been nine inches. He told me he was 20 but he turned out only to be 18.

He was great in bed and was far too experienced for his age. I had to dump him sadly because he was too young for me. I'd love to meet a guy with a willy that size again though.
MELISSA: My ex was quite well-hung. He had a seven-inch willy hard but a good five inches on the slack and the night I saw it for the first time I was drooling.
RACHAEL: Did it feel good?
MELISSA: Yes, he was quite good in bed but it had nothing to do with the size, it was what he did with his hands and tongue.

KINKY SEX

RACHAEL: I enjoy using handcuffs and blindfolds during sex. It makes things far more exciting. What bondage have you tried?
MELISSA: I haven't tried blindfolds but I've got handcuffs and they are a lot of fun.
RACHAEL: Do you wear them?
MELISSA: I prefer my bloke wearing them because it puts me in complete control of him. I'm a dominatrix at heart.

SEX TOYS

RACHAEL: Have you used a vibrator?
MELISSA: No, I've never had any sex toys like that. I'd quite like a vibrator though, I've heard they're good.
RACHAEL: Get the Rampant Rabbit. I have one and it's amazing, it takes me to heaven and back. They're not as good as willies, but they're not far off.

FAVOURITE POSITION

MELISSA: What position do you most enjoy shagging in?
RACHAEL: Missionary. It's the best because you can do it slowly and the sex is far more romantic.
MELISSA: My favourite is me on top but I don't like to hurry things either. I like taking my time and doing it slowly, it's more intimate that way.

FIRST-TIME SEX

RACHAEL: Who did you lose your virginity to and where did you do it?
MELISSA: It was my boyfriend when I was about 18. We planned it for weeks and we did it in his bedroom.
RACHAEL: Was it how you thought it'd be?
MELISSA: No, I wasn't expecting any pain and it hurt a bit. It was his first time as well but he still managed to last about half an hour. I was disappointed when he came though because I didn't have an orgasm.
RACHAEL: I was 17 when I was lost my virginity. The earth didn't move but it was still good. The fact that it was in my bed when my parents were away for the weekend helped a lot – no fear of interruptions.

OH-NO MOMENT

MELISSA: I had to split up with my last boyfriend because I called out my ex's name when I was having sex with him.
RACHAEL: No wonder he dumped you!
MELISSA: I know, I couldn't blame him. But if he hadn't been so bad in bed I wouldn't have had to fantasise about my ex.
RACHAEL: My boyfriend's mum caught us in the act once. We were on his bed when she just walked into the room without knocking.
MELISSA: Was she horrified?
RACHAEL: No, she just started laughing. Later that night I had to sit in their living room with them and there was a nature programme on TV with some monkeys shagging on it. His parents couldn't help but grin, but for me it was so embarrassing.

> **"I have stuck my vibrator up there once when I got a bit carried away"**

THREESOMES

MELISSA: One of my friends told me she'd had a threesome with two blokes the other week. She absolutely loved it.
RACHAEL: Are you thinking of having one now?
MELISSA: No, I'm too selfish to share a guy with another girl and the thought of two willies at once horrifies me.
RACHAEL: I got offered a threesome by my last boyfriend. He said he and his best mate wanted to have me at the same time. I was horrified and thought he was a right weirdo, so I declined his offer.
MELISSA: Did you regret saying no?
RACHAEL: Hmmm…maybe I'll think about it a bit more next time I'm offered one. It might be a lot of dirty pleasure.

BUM FUN

RACHAEL: Is your bum virginity still intact?
MELISSA: Yes, but I don't plan for it to stay that way. With the right fella and the right mood – ie, up for a really filthy session – I'll be well up for anal.
RACHAEL: I haven't done it either but I've stuck my vibrator up there when I've got carried away with masturbation. I might introduce that into part of sex with my next boyfriend.

RISKY SEX

MELISSA: What's the strangest place you've had sex?
RACHAEL: When I was at V Festival two years ago we had sex in our tent in the middle of the day. It was so exciting because there were people standing near us and walking right past the tent who had no idea what we were doing – at least I think that was the case.
MELISSA: Were you not worried about getting caught?
RACHAEL: No, it was all part of the fun – and anyway, I was too caught up in the moment.
MELISSA: My ex-boyfriend used to be a computer boffin. One lunchtime I nipped to where he worked and we had sex on the table in his office.
RACHAEL: That's naughty!
MELISSA: I know, it was such an adrenaline rush though. It's fun having risky sex sometimes.

FAKING IT

RACHAEL: I must confess that I've faked orgasms loads of times. Have you faked it?
MELISSA: Sure, don't we all at one time of another? You know when it just isn't going to happen and faking it gets the sex over and done with.
RACHAEL: It's kinder on the bloke if he thinks he's given you an orgasm because then he'll be happy. Otherwise you'd end up having sex for about 12 hours.

ONE-NIGHT STANDS

MELISSA: I've never had a one-night stand, what are they like?
RACHAEL: I've only had two but they were both good and if I met the same guys in a bar again I'd definitely sleep with them again They were so good.
MELISSA: Was it not a bit embarrassing the next morning?
RACHAEL: No, it was good sex and very amicable next day. I wouldn't go looking for a one-night stand but if I met the right guy and was in the right mood…
RACHAEL: I'm sure I'd have a one-night stand if I fancied the guy enough and I wasn't too drunk. I just haven't met the right bloke yet.

LESBO LOVING

RACHAEL: Do you enjoy snogging girls?
MELISSA: Yes, it's just like kissing a guy when you kiss your girl friends.
RACHAEL: Would you go all the way with a girl?
MELISSA: No, I'm definitely straight and I'm not the least bit curious. I just kiss girls for a bit of fun.
RACHAEL: I snog my girl friends a lot as well, it's fun and it's naughty.
MELISSA: Does it float your boat?
RACHAEL: No, it's never made me question my sexuality. I'd never go all the way with a girl – as it stands, anyway.

BUSTY'S BIG REVELATIONS!

IT TAKES TWO TO TANGLE: Big babes enjoy fleshfest

THIS week we caught up with Television X's BIGGEST star Busty Cookie and had a chat about her life working in porn.

She has featured in countless TVX classics – including *Hard BreXXXit*, our political drama as Pianne Faggot, and *Gobblecocks*, where she got up to her naughty antics with Kiki Minaj in front of their TV screen.

WHAT MADE YOU WANT TO GET INTO THE PORN INDUSTRY?

I saw a beautiful BBW called April Flores in Bizarre Magazine and she took my breath away! From that day, I knew I had to pursue a career in porn and I found there was a big demand for bigger girls.

WE LOVE WATCHING YOUR SCENES AND WANT TO KNOW WHAT KIND OF PORN YOU WATCH AT HOME?

I think gay porn is so hot, but I don't really watch much. I prefer being in front of the camera getting f**ked.

CAN YOU LET US KNOW WHAT YOU HAVE PLANNED FOR 2020?

I am back shooting a lot more this year for my website and OnlyFans. I'm making a hot new movie for a film festival, going to all the naughty expos like AVN and VENUS, I'll be touring and of course doing lots of filthy things on my webcam.

YOU'VE FILMED WITH SOME HUGE STARS, HAVE YOU GOT ANY FAVOURITES TO PERFORM WITH?

There's a new star called Atlanta Moreno I love to shoot with. She's a gymnast and Babestation girl, we'll definitely be f**king again soon, she's so flexible!

WHAT'S THE BEST THING ABOUT BEING A PORN STAR?

I get to travel all over the world, meeting and playing with all sorts of people in the industry. The hottest models, makeup artists who make me look incredible and also being recognised by my fans, they're so sweet and happy to see me!

WHY DO YOU LOVE TELEVISION X?

TVX is the best company in the UK! You guys have always been so inclusive and shown so much love. I'll always support and rep TVX and I can't wait to do more amazing films with you, like *The G Team*, *Large & In Charge* and *New Recruits*, which I produced and was directed by the amazing Ric Porter. Thank you Television X!

To see Busty Cookie in her dirtiest scenes, subscribe to Television X by calling 0871 271 6869 or by visiting televisionx.com.

BRITAIN'S ONLY NAKED TV GUIDE

with SIMON DEAN

TODAY

Horror Channel, 11.10pm, *Maniac* – ELIJAH Wood of the Hobbit films gets to play a serial killer. There's plenty of bare boobs as well as killing. Megan Duffy at 17 minutes is a good one – boobs-wise, that is.

TOMORROW

Horror Channel, 12.45am, *Starry Eyes* – ALEX Essoe is nude beneath a plastic sheet, and we get some nice looks at her breasts both under the covers and once she emerges at 1hr 27mins.

TUESDAY

Horror Channel, 2.20am, *Sorority Row* – ONE of Deja Kreutzberg's classmates orders her to drop her towel at 43 minutes and she complies, with her perkies popping out. Plup!

WEDNESDAY

Horror Channel, 9pm, *Into the Grizzly Maze* – SOME great looks at Kelly Curran's casabas as she and James Marsden prepare to get it on, but then he backs out! No timings though. Soz.

THURSDAY

Live: The Labour Leadership Debate, C4, 8pm

AS the Labour Party comes to terms with its worst election defeat in more than 80 years, who should take over from Jeremy Corbyn as its next leader?

Krishnan Guru-Murthy moderates as candidates Rebecca Long-Bailey, Lisa Nandy, Keir Starmer and Emily Thornberry go head to head in front of an audience of past, current and potential future Labour voters.

Sounds like a laugh…

If you've got time on your hands...

Prison, C4, 9pm

NEW series. The return of the documentary offering an insight into life inside a British jail from the perspective of both staff and inmates, this time coming from HMP Foston Hall in Derbyshire, where more than 300 women are incarcerated for everything from not paying fines to murder.

The opening edition focuses on the First Nights Unit, where inmates can arrive for sentences as short as just a few weeks.

OF THE TELLY

By BARNEY SAMUELS

This movie's a real classic

I Was Monty's Double – BBC2, 3.35pm

FACT-based drama about actor ME Clifton-James, whose resemblance to General Montgomery saw him selected for a special assignment during the Second World War.

He was trained to imitate the general perfectly, and sent on a tour of North Africa to keep the real Montgomery's whereabouts unknown to the enemy.

Clifton-James stars as both himself and Monty, alongside John Mills and Cecil Parker.

Classic war movie.

My Family and the Galapagos – C4, 8pm

MARINE biologist Monty Halls and his family are settling into life on the island of Isabela in the Galapagos, where they discover it's not without its challenges.

The family find flamingos in an unexpected place and get to know a big fish with a bad reputation.

Daughter Isla becomes a young field assistant helping to tag baby Hammerheads, while Tam and Monty mark their wedding anniversary underwater with over 20 endangered sharks.

Homeland – C4 9pm

NEW series.

The final series of the CIA thriller begins with Carrie recovering in Germany after the events of last season, while Saul makes a negotiation and Max has a new mission.

Let's the honest – this show has never reached the heights of excitement that we saw back in series one.

But Claire Danes is easy on the eye and it's quite an engaging show.

Mandy Patinkin and Maury Sterling also star.

TUESDAY

The BRIT Awards 2020 – ITV, 8pm

JACK Whitehall hosts the 40th edition of the annual music awards. Stormzy, Michael Kiwanuka, Lewis Capaldi, Dave and Harry Styles are in the running for Album of the Year, while Celeste has been announced as the recipient of this year's Rising Star Award.

The show will feature performances from Mabel, Harry Styles, Stormzy, Billie Eilish, Lewis Capaldi and Celeste.

How to Stay Out of Jail – C4, 10pm

DOCUMENTARY about an alternative to prison set up by the police in County Durham, in which arrested criminals can avoid being tried and imprisoned for their crimes in exchange for a pledge to never reoffend.

The idea is in response to high levels of reoffending from released prisoners and offers an alternative to a life of crime – but for many, the promise requires sweeping changes to their lives that are hard to maintain.

DON'T MISS THIS!!!

Cilla: The Lost Tapes – ITV, Wednesday, 9pm

FOLLOWING her death, Cilla Black's family found a stash of films and behind-the-scenes footage from her personal video collection, along with hours of audio recording of Cilla telling her life story.

Narrated by Sheridan Smith, this documentary includes interviews with the family and friends who knew Cilla best, as they watch the lost footage for the first time and recall their memories of a TV icon.

Hope they find the saucy secret ones that her and Bobby made!

The 26-year-old, from Chelmsford in Essex, said: "Just putting on the costume makes my pussy dripping wet.

Swollen

"I only have to touch my swollen clit to send shivers down my spine!

"I love the effect it has on my fella, too.

The 38D Cardiff beauty said: "After a long week at work I like nothing better than a long soak in a hot, foamy bath.

"It's perfect to ease away all those aches and pains. And, you never know, I might have a little bit of a diddle with myself, too."

THE WORLD FAMOUS AGONY Page

Dear Lexi,

LAST summer I met a stunning older woman while on a lads' golfing holiday in the Algarve.

She was one of the local cleaners at the hotel where we stayed.

I'm 22 and she's more than twice my age but once stripped off to her skimpy undies, it didn't matter.

She was very athletic in bed, and got herself into all sorts of weird but wonderful positions.

I want her to come over to meet my folks – I've told them about her and they're fine about her age and background, but she says she wants me to move out to Portugal and get a job.

What do you think?

GH, West Yorks

Lexi says...
WHAT are you waiting for?

Dear Lexi,

I'M a male dance instructor and have been shagging quite a few of my fit female pupils.

The first one I boned was a pretty brunette aged 19 with a fantastic body. After her second lesson she told me she couldn't afford to pay the tuition fees, but offered me sex instead.

So every week I'd do her on the back seat of my car after offering to give her a lift home.

I'd park up in a country lane and she'd give me a gobble before I'd do her doggy-style.

The problem is she's not the only pupil who pays with sex, so I'm not making that much money and the missus is getting suspicious.

What should I do?

JP, Liverpool

Lexi says...
WHY not give your wife one – and keep the cash from the dance lessons?!

DO YOU HAVE A SEX PROBLEM?

Taboo sex with wife is pain in the arse

Dear Lexi,

I KNOW that lots of people rave about sex up the WRONG 'UN but I can't see what the fuss is all about really.

My missus let me stick my cock up her tight bumhole on our wedding night.

In fact, it was the promise of doing the dirty deed that was the main reason I agreed to marry her in the first place.

But thinking back on that night I have to say it was a bit of a disappointment.

Ring

Although her ring is nice and tight, the rest of her arse is like a ruddy cavern, so there wasn't much to grip around my knob.

We spent quite some time easing into it – so to speak – and used lots of lube on both her arsehole and my willy, before I slid my rock-hard dick into her butt.

She seemed to love having a cock in her arse, as she was wailing away like a banshee and rubbing her clit as I pounded away at her.

But it just did nothing for me.

When I shag her in her tight, warm pussy, every inch of my cock is massaged by her intimate muscles.

So why would I want to shag her up the wrong 'un when her right 'un is perfect for me?

Well, I believe I have the answer.

I think that it's just having dirty thoughts about bum sex that gets most of us lads going.

It's about a woman being sexually taboo enough to let us put our rods of steel somewhere they're not really meant to go.

In reality, it seems to me that bum sex is all a bit rubbish and not what it's cracked up to be.

Which is why I never really wanted to try it a second time, just that one night was probably enough for me.

Anyway, now my missus has said I can try it again for our wedding anniversary.

But I haven't got any particular interest in sticking my member up there – even if it is a special treat.

Frankly, I'd much rather try some *Fifty Shades of Grey*-style bondage or get the missus to dress up in some fetish gear.

What should I tell her? I don't want to offend or upset her.

NH, Notts

Lexi says...

WAS your first normal shag any good? Lots of people are disappointed by the first time...but they carry on shagging and discover it can be amazing.

Yet you're willing to completely write off bum sex after trying it just the once.

Back when you first got married you were both probably a bit naïve in bed.

So this time round might be quite a magical experience – for you both.

As for bondage and fetish sex, why not suggest them both to her – she might be up for trying them, too.

And you could always try slipping her one up the arse at the same time.

(HIC!) Shhooozi never (HIC) said she lived with a couple of muff divers
Ha, ha. We're not lesbians. We just like a bit of girlie fun
Well, let me know if you fancy a bit of (HIC!) mature cock

Lexi says... UH-OH!

CAN you get your tongue around Ioana Botezatu?

Well, no doubt you'd like to – but her name is a bit of a tongue twister, though.

So that's why this Romanian lovely simply calls herself Jane for her English fans.

And giving her fans what they want is just what the 36DD beauty likes.

Happy

She said: "I get fans mail where fans write to me and says, 'I want to put my semen all over your lovely big tits'.

"So I write back and say to them, 'I would like you to put your semen all over my lovely big tits, too!'

"My fans get my letter and have big wank thinking of losing their semen all over my lovely big tits.

"Everyone happy. HA!"

MAGIC MAN FOR CITY

Isco edges closer to Etihad transfer

MANCHESTER City are lining up a summer swoop for Isco.

The Real Madrid playmaker — dubbed "Magic Man" by his team-mates — is set to leave the Bernabeu.

Arsenal and Chelsea were hoping to sneak in and get a deal done — but City want him as the man to replace the retiring David Silva in their squad.

Zinedine Zidane has made no secret that he rates the 27-year-old highly.

The problem is that he doesn't pick him to start games enough and that is forcing Isco to look elsewhere for more time on the pitch.

ZZ said: "Having him between the lines is important in keeping possession.

"He's an important player and he's technically crucial on the pitch. I really like him and he has put in fantastic displays."

There could yet be a twist in the tale though as Real are keen to include Isco in any part-exchange deal for Paul Pogba.

That could be attractive to Manchester United who would get a quality replacement for the Frenchman and a substantial fee.

The two neighbours could go into battle for the signing.
